

Basic Veterinary, Farrier, Worming & Dental Care Schedule

Below is our schedule and list of professionals approved by Trainer, Brittany Sekanic. If you are enrolled in the Full Training package, these professionals have been approved by Trainer therefore holding and scheduling is included in your packages. Any professionals not on this list require owner to schedule and hold their own horse for the visit. If owner cannot attend, but needs horse held by trainer, a \$30 holding fee will apply.
