

## 2023 Lesson & Training Price List

Lessons and training sessions are offered either in packages at discounted rates or individually at full price. Packages are pre-paid for on the first of the month and any individual lessons or training sessions taken outside of the lesson package the prior month will be billed the full amount on the first of the following month. Due and payable upon the first of the month. In the event said payment is overdue by five (5) days, the client is subject to a \$25.00 late fee. In the event said payment is overdue by ten (10) days, the client is subject to a second \$50.00 late fee. Any lessons or training sessions that are pre-paid for but were canceled 24 hours in advance will be eligible for a makeup lesson or training session. Makeup lessons or training sessions must be rescheduled and made up before the end of the billing cycle, unless the original lesson that was canceled was in the last week of the month; in this case, the lesson or training session can be carried over into the next month or billing cycle. Lesson and training packages are non-refundable; therefore, the correct action to cancel and reschedule makeup lessons and training sessions is the responsibility of the rider/parent. Lessons and training sessions must be canceled 24 hours in advance. If a rider is later than 15 minutes to a lesson, the lesson will count as a lesson and will not be eligible for a makeup.

**Lesson Packages (limited number of school horses; priority given to those who lease or half lease)** - Lesson packages are designed for riders that do not own their own horse and want to take lessons on a school horse that are not in a lease program. Lessons are priced at \$75.00 per lesson when pre-paid for in a package at the beginning of the month. Lesson to lesson payments or any extra lessons beyond pre-paid packages will be billed at the full individual price lesson of \$100. Lesson horses are only available for lessons for 6 months maximum. Due to a very limited number of school horses; after 6 months, riders are expected to either lease or buy their own horse to continue riding with Sekanic Show Stables. ## 2023 Horse Show Price List

Horse show schedule will be determined by the trainer and will be sent out to the clients on a yearly overview; it will also be updated quarterly. Clients will need to sign up for a horse show and commit a month in advance to ensure adequate entry time and show preparation of the horse and rider. Shows that require stabling will need a check made out to the show to reserve stabling 2 weeks prior to the show. In the event that a client cannot attend the show after committing, that check will be used for any scratch fees owed to the show. If the client does not attend a show that they committed to, there will also be a \$100 cancellation fee to be applied to the trainer expenses since other clients may have been planning to attend on a trainer splits cost at the given number of horses that were supposed to go to the show. There will be a minimum required amount of three horses needed in attendance for horse shows further than an hour away to make it feasible for the trainer to attend. If a trainer does attend a horse show with less than 3 horses that is further than an hour away, the coaching fee per day will be \$100. Grooming and tack stalls will be split evenly among the number of client horses attending the show through the show bill.

Clients are responsible for the cost of horse show entries, stalls & shavings through the show office. Clients are also responsible for the braiding bill. It will be mandatory for all clients to provide the trainer with a blank check and/ or credit card for these costs before the horse show. Clients will also be responsible for paying the braider and tipping the grooms. Tipping is normally \$20.00 per groom, per day, per horse. Clients will also be responsible for payment of outside haulers at their given price; the use of an outside hauler will be determined by the trainer.

Cost of a horse show will be determined at the following prices and payment for the horse show to Sekanic Show Stables will be due upon invoice. A 3% interest charge will be charged every 30 days the bill has not been paid.
